

Ayesha S. Mahmud

University of California, Berkeley
Department of Demography
2232 Piedmont Ave
Berkeley, CA 94720

Phone: (202) 230-3600
Email: mahmuda@berkeley.edu

Academic appointments

Assistant Professor Department of Demography, University of California, Berkeley	July 2019 - Present
Rockefeller Foundation Planetary Health Postdoctoral Fellow Harvard T.H. Chan School of Public Health Harvard University Center for the Environment	September 2017 - June 2019

Education

Ph.D. Demography and Social Policy, Princeton University	September 2017
B.A. Economics and Physics, Carleton College	June 2009

Peer-reviewed publications

Note: * denotes equal contributions; [†] denotes senior authorship

Mahmud, A., Martinez, P., Baker, R. (2023) "The impact of current and future climates on spatiotemporal dynamics of influenza in a tropical setting". *PNAS Nexus*. **Forthcoming**.

Larsen, S.L., Shin, I., Joseph, J., West, H., Anorga, R., Mena, G.E., **Mahmud, A.** and Martinez, P.P., (2023) "Quantifying the impact of SARS-CoV-2 temporal vaccination trends and disparities on disease control". *Science Advances*. 9(31): eadh9920. **Link**.

Sania, A.*, **Mahmud, A.***, Alschuler, D., Urmi, T., Chowdhury, S., Lee, S., Mostari, S., Shaikh, F., Sojib, K., Khan, T., Khan, Y., Chowdhury, A., Arifeen, S. (2023) "Risk factors for COVID-19 mortality among telehealth patients in Bangladesh: a prospective cohort study." *PLOS Global Public Health*. 3 (6): e0001971. **Link**.

Roubenoff, E., Feehan, D., **Mahmud, A.[†]** (2023) "Evaluating primary and booster vaccination prioritization strategies for COVID-19 by age and high-contact employment status using data from contact surveys." *Epidemics*. 43, 100686. **Link**.

McQuade, E., Blake, I., Brennhof, S., Islam, M., Sony, S., Rahman, T., Bhuiyan, M., Resha, S., Wettstone, E., Hughlett, L., Reagan, C., Elwood, S., Mra, Y., **Mahmud, A. et al.** (2023) "Real-time sewage surveillance for SARS-CoV-2 in Dhaka, Bangladesh versus clinical COVID-19 surveillance: a longitudinal environmental surveillance study (December, 2019–December, 2021)." *The Lancet Microbe*. 4(6), e442-e451. **Link**

Grants

Society of Hellman Fellows, University of California, Berkeley (PI), Project period: July 2022 - July 2023

"Climate shocks and population dynamics: Characterizing climate-driven population migration and displacement patterns in Bangladesh", Meta Platforms Inc. (PI), Project period: December 2021 - November 2023.

Center on the Economics and Demography of Aging, University of California, Berkeley, Pilot Grant (PI). Project period: June 2022 - June 2023.

"COVID-19: Citywide Sewage Surveillance for SARS-CoV-2 in Dhaka, Bangladesh", Bill and Melinda Gates Foundation, (co-Investigator, PI: Mami Taniuchi, University of Virginia), Project period: September 2020 - June 2021.

National Socio-Environmental Synthesis Center (SESYNC) Grant, (co-PI with Chris Golden, Harvard T H Chan School of Public Health), 2020-2022. *Declined due to COVID-19 disruptions.*

Berkeley Population Center, Pilot Grant (PI), University of California, Berkeley, Project period: June 2020 - June 2021.

Talks and conference presentations

"Evaluating primary and booster vaccination prioritization strategies for COVID-19 by age and high-contact employment status using data from contact surveys." Ecology and Evolution of Infectious Disease meeting, Atlanta, GA, June 2022.

"Effects of increases in climate sensitive infectious disease prevalence on older adults." Committee on Population (CPOP), National Academies of Sciences, Engineering, and Medicine, May 2022. *Invited talk.*

"Use of 'big data' for infectious disease surveillance and forecasting." University of California, Berkeley College of Letters and Science Advisory Board Meeting, March 2022. *Invited talk.*

"The impact of population mobility on the spread of local epidemics." Sociology Department Colloquium, University of California, Berkeley, February 2022. *Invited talk.*

"Quantifying population contact patterns in the United States during the COVID-19 pandemic." UT COVID-19 Modeling Consortium, September 2021. *Invited talk.*

"Promises and pitfalls: Use of 'big data' for infectious disease surveillance and forecasting." National Academies of Sciences, Engineering, and Medicine Workshop on Pivotal Interfaces of Environmental Health and Infectious Disease Research to Inform Responses to Outbreaks, Epidemics, and Pandemics, June 2021. *Invited talk.*

"Participatory syndromic surveillance as a tool for tracking COVID-19 in Bangladesh." Population Association of America conference, April 2021.

"When a megacity goes on holiday: The impact of population mobility on the spread of local epidemics." Population Association of America conference, April 2021.

"When a megacity goes on holiday: The impact of population mobility on the spread of local epidemics." Sustainable Development Seminar, Columbia University, March 2021. *Invited talk.*

"When a megacity goes on holiday: The impact of population mobility on the spread of local epidemics." Chowdhury Center for Bangladesh Studies, University of California, Berkeley, March 2021. *Invited talk.*

"Participatory syndromic surveillance as a tool for tracking COVID-19 in Bangladesh". COVID-19 Dynamics and Evolution Conference, UCSD, October 2020.

"Participatory syndromic surveillance as a tool for tracking COVID-19 in Bangladesh". Berkeley Ecology and Evolution of Infectious Diseases Seminar, Berkeley, CA, September 2020.

Panelist, "Mathematical Models in Understanding COVID-19." organized by Institute for Pure and Applied Mathematics, UCLA, August 2020. *Invited talk.*

Panelist, "Voices: The Risk of Coronavirus for Rohingya Refugees" organized by Rise for Rohingya, April 2020. *Invited talk.*

"Megacities as drivers of national outbreaks: The role of holiday travel in the spread of infectious diseases". Berkeley Ecology and Evolution of Infectious Diseases Seminar, Berkeley, CA, October 2019. *Invited talk.*

"When a megacity goes on holiday: The impact of population mobility on the spread of local epidemics." Ecology and Evolution of Infectious Disease meeting, Princeton, NJ, June 2019.

"The impact of population mobility on the spread of local epidemics". Massachusetts General Hospital HIV Conference Series, Boston, MA, May 2019. *Invited talk.*

"Drivers of dengue dynamics in Brazil: quantifying the role of human demography and climate". Planetary Health Annual Meeting, Edinburgh, UK, May 2018.

"Drivers of infectious disease dynamics: Quantifying the impact of demography and climate". Department of Demography Seminar Series, University of California, Berkeley, CA, January 2018. *Invited talk.*

"Climate drivers of infectious diseases" Epidemics, Sitges, Spain, November 2017.

"Drivers of seasonal disease dynamics" UTokyo-Princeton Infectious Disease Modeling Symposium, Tokyo, Japan, July 2017. *Invited talk.*

"Dynamic response of airborne infections to climate change: predictions for varicella." Planetary Health / GeoHealth Annual Meeting, Boston, MA, April 2017.

"Comparative Dynamics, Seasonality in Transmission, and Predictability of Childhood Infections in Mexico." Population Association of America conference, Chicago, IL, April 2017.

"Drivers of infectious disease dynamics: Childhood infections in Mexico." 5th Annual Institute for Disease Modeling Symposium, Bellevue, WA, April 2017. *Invited talk.*

"Drivers of seasonal transmission of childhood infections." Center for Communicable Disease Dynamics Seminar, Harvard University, Cambridge, MA, December, 2016. *Invited talk.*

"Comparative dynamics, seasonality in transmission, and predictability of childhood infections in Mexico." Ecology and Evolution of Infectious Disease meeting, Cornell, NY, June 2016.

"Identifying Police Officers at Risk of Adverse Events." Population Association of America conference, Washington, DC, April 2016.

"HIV and Fertility in sub-Saharan Africa." Population Association of America conference, San Diego, CA, May 2015.

"Stratospheric Photochemistry on Neptune: Constraints from Spitzer Observations." American Astronomical Society Division of Planetary Sciences conference, Cornell, NY, October 2008.

Fellowships and awards

Rockefeller Foundation Planetary Health Fellowship, Harvard University, 2017-2019.

Fellowship of Woodrow Wilson Scholars, Princeton University, 2016-2017.

Health Grand Challenge Graduate Research Funding, Center for Health and Wellbeing, Princeton University, 2016.

Data Science for Social Good Fellowship, University of Chicago, 2015.

Sarr International Scholar, Carleton College, 2005 - 2009.

Work experience

World Bank, Washington, D.C.

June 2016 - June 2017

Data Science for Social Good Summer Fellowship, Chicago, IL

June - August 2015

National Bureau of Economic Research, Cambridge, MA

July 2011 - August 2012

NORC at the University of Chicago, Bethesda, MD

July 2009 - June 2011

Last updated: September 20, 2023
